What We As Nazarenes Have Multiplied

We have multiplied everything else:

churches, committees, choirs, camps, campuses, colleges, conferences, converts, classes, consultants, concerts, contemporary worship services, churchmen and churchwomen, coffee houses, councils, creeds, curriculums, countless books, tapes, movies and videos, cathedrals, chapels, clinics, crowds, cash, church-goers and civilized clean citizens, counselors, courses, ... even Christians... and Christian comedians, clowns, cartoonists and even Christian circuses to entertain us Christians to death. There are even Christian churches that have hired "Christian masseuses" who circulate during the worship services and massage people as they listen to the sermons! All right then! Now, we're going to really win the world!

Well, we have multiplied everything else...

maybe it's time to actually **multiply the one thing** Jesus told us to multiply....

Disciples who make Disciples.
